Thank You for Attending Our Annual Dinner!

Thanks to everyone among the nearly 700 guests who attended our Annual Dinner. Our four honorees included Tammy Nixon, a team member at our commercial laundry; Melissa Blumenshine, part of our Continuous Improvement team; Jason Corwin, a graduate of our IT training program; and Jasmine Abdullah, a graduate of our BankWork\$ program. Watch their stories [HERE](#).

Goodwill Team Member Honored as "Best and Brightest"

Kaci McBrayer, an ADC team member at our Monument retail store, was honored by the Colorado Springs Gazette as one of the region's **Best and Brightest** high school seniors. Her Air Force family lived for several years in Japan and South Korea, giving Kaci an appreciation for travel and other cultures. She actively volunteers in the Colorado Springs community, including helping the local Fire Department install carbon monoxide detectors and fire extinguishers in local homes.

Kaci graduated from Air Academy High School with a 4.53 grade point average and hopes to attend the US Naval Academy, the Air Force Academy or Auburn University, with a goal of joining the FBI or CIA upon launching her career in cyber security. Vicki Robbins, Monument Store Manager, says, "Kaci is a huge asset to the Monument team. She is 100% reliable and the ADC really depends on her." Congratulations, Kaci. We can't wait to see all the great things you will accomplish.
