Goodwill of Colorado's mission is **helping people overcome barriers to economic and personal independence through education, training and job placement.** We are comprised of employment, education/training and community impact programs, stores, outlets, donation locations and e-commerce, powering our mission-centric social enterprise.

For more than a century, Goodwill has served local communities by creating education and employment opportunities. We are deeply invested in elevating Coloradans' quality of life and keeping our state beautiful.

With the support of our shoppers, material donors and financial supporters, we are honored to both employ and provide impactful programs for Coloradans with disabilities, military veterans, individuals struggling to find work, seniors and those looking for training on their path to employment and career advancement.
