DECK YOUR HOLIDAYS

Nothing Matches. *Everything Belongs.*

Who says the holidays have to be perfectly coordinated? The matching plates. The matching ornaments. The matching sweaters. (Okay, maybe keep the sweaters.)

This season, Goodwill of Colorado invites you to toss out the holiday rulebook and Deck Your Holidays your way.

Find the delightfully mismatched dishes that make your dinner table a conversation starter. The vintage decorations that deserve another turn in the spotlight. The one-of-a-kind outfit that makes an entrance before you even say hello.

Deck your gifts. Deck your space. Deck yourself. Because the best holiday celebrations aren't copied from a catalog. They're created by the people who make them special.

And here's something else worth celebrating: Your Goodwill finds do more than make the holidays memorable.

Every purchase supports Goodwill of Colorado's mission of helping people build skills, find meaningful employment and pursue greater independence. That includes adults earning high school diplomas, individuals rebuilding their lives after incarceration, people with disabilities pursuing their goals, older adults finding connection and purpose, and job seekers preparing for new careers.

> “...the best holiday celebrations aren’t copied from a catalog. They’re created by the people who make them special.”

So go ahead. Mix the patterns. Break out the quirky decorations. Give something with a story. Your holiday doesn't have to look like anyone else's.

After all, the most meaningful celebrations aren't about everything matching. They're about what everyone brings to the table.
